CHURCHMEN BACK
AT SHERIFF NOWFEDERATION ISSUES LENGTHY
STATEMENT RECOUNTING
GAMBLING CASES.

SAY TRIALS WERE DELAYED

REPRESENTATIVES OF ORGAN-
IZATION SAY THEY ARE PRE-
PARED TO FIGHT.

Federated churchmen of the city have come back at Sheriff Fleming with the statement that they took action with reference to gambling cases neither for a "malicious purpose" nor "by criminal ignorance," as charged by Fleming in his statement of Wednesday.

G. W. Barcus, chairman of the committee of Federated Churches, yesterday made the statement that they "have the goods and will show them if they are forced to it." Barcus said that his body is "ready to meet Fleming on any ground." According to him the federation will "bring the gamblers to justice or show up some officers."

Charge Trial Delayed.

They claim that these men should have been tried in last court session, and that the sheriff did not come up to the law when according to their charge, he did not turn in the arrests to the district clerk's office. The statement coming from the federated churches is printed below, declaring that "because Mr. Fleming is sheriff does not make him a king that can do no wrong."

Mr. Barcus stated yesterday that a committee was appointed by the Federated Churchmen which saw Sheriff Fleming about two weeks ago to see what had been done with nine gamblers indicted at the last grand jury. When they interviewed him, they claim he said that he did not believe any of the men indicted would be convicted except perhaps one. According to one of the committee the party then went to the district clerk there finding that none of the indictments had been returned with warrants of arrest. Bob McLane, district clerk, they say, said that according to records none had been arrested.

One in Waco Recently.

The federation further claims that one of those not arrested was seen in Waco some time last week.

The sheriff's department yesterday declared that none of the men arrested are now in jail, all of them furnishing bond within fifteen minutes after they were arrested. Deputy Joe Wren, after consultation with Sheriff Fleming, declined to give the names of those arrested, stating that to do this would make the catching of the others very difficult. County Attorney McNamara gave the names of two cases which he says are the only ones set for trial. The names of these parties are C. J. Surgeon and Dave May, both of whom are to be tried September 10. Another on the record of the attorney Mr. McNamara did not give out because he said that

"HELLO, MAJOR!" SAID HIS
HONOR, THE MAYOR, AND
THEN LAUGH WAS ON HIM

"Hello Major," said Mayor Dollins.

The elevator had just started up and Major General James Parker had the boy stop the "lift." "How do you do Mayor?" said the Commander of Camp MacArthur.

"I beg your pardon?" said Mayor Dollins. "I don't know much about shoulder straps or I would have called you by the right title."

They shook hands. This happened yesterday.

Then the Mayor told the story of the man who said he was a captain just because he had "a couple of bars."

EVENING DRESS PARADE
TO BE CAMP FEATURE

An evening dress parade is to be a feature of the daily program at Camp MacArthur.

Major General Parker announced yesterday that he will have at least one regiment of infantry parade every evening and that these will be open to the public.

These parades will be held on a field lying parallel to the Bosqueville road and just south of the headquarters offices near the Primm home.

EACH VOTE COSTS FIFTY CENTS

County Judge James P. Alexander, after checking over the cost of the election of August 21, found that it cost the county 50 cents for each vote cast. The ballot was on the constitutional amendment. One vote in the state of the smaller boxes cost four dollars because only one person voted, and this was the total expense connected with that particular box.

Judge Alexander announces that he will set a move on foot to lessen the number of voting boxes in this district by about four boxes. In this way he will attempt to minimize the cost of holding elections as much as possible.

RATES TO COTTON PALACE

Cotton Palace visitors are to have the same rates this year that they received last season, says Ralph McLendon, chairman of the railroad committee for the Cotton Palace. The same rates have been granted by railroads all over the state, and last year they were cheaper than ever before. This gives an extra inducement to come to the exposition.

MRS. PARKER COMES TODAY

Mrs. James Parker, wife of Major General Parker, commanding Camp MacArthur, is an enthusiastic Red Cross worker, a prominent society leader and in army circles is one of the most popular entertainers and above all she is well liked by all who are acquainted with her. Mrs. Parker will probably stop tonight at the Raleigh, but she plans to maintain apartments at the Kyle apartments.

COTTON PALACE SCOUTS TOUR

Cotton Palace directors have sent two delegates on a tour through the north, in United States and parts of Canada, to pick up new features for the 1917 exposition. Places included in the route of these men, J. J. Hutchison and Seth N. Mayfield, are Des Moines and Toronto, Canada.

Y. M. B. L. DAY NOVEMBER 12

Cotton Palace Park grounds are being placed in conditions for the big rush of November. Commissioner Fred Stamp is planning a good deal of work inside the park streets, according to one of the directors. Fifteenth street will be graded. Y. M. B. L. day has been designated as the second Monday in November, and plans will probably be started immediately to decide what kind of a stunt the Young Men's Business league will pull off on that day.

SAY, WHAT DOES O. D. MEAN?

"Hello, Morning News?"

"Yes."

"Tell me what this O. D. stuff means will you please?"

"Wait a minute and I will shunt the military reporter on the line as I haven't time to answer you."

"Hello, there military reporter, what is this O. D. bunk?"

"I'll tell you. O. D. is army slang for olive drab. Olive drab is the color of the uniform now used by the United States army. So it has become a habit to call the United uniform the O. D."

"Get me?"

"Oh gee yes—O. D. I get you."

ELABORATE SEND-OFF
CELEBRATION.

FIVE COMPANIES LEAVING

PARADE TO FEATURE FORMAL
FAREWELL FRIDAY NIGHT
OF THIS WEEK.

Waco boys who have joined the Texas National Guard will be given a royal farewell upon their departure for their training camp.

At a meeting of the Lions' club yesterday it was decided to give the boys a royal send off and plans are being perfected for staging a celebration that will show the volunteers that the people of this city are appreciative of the wonderful record made by Wacoans now in the O. D.

There will first be a big parade and celebration Friday night. This parade will start at the city square and proceed up Austin street to Eighth, and thence to Katy park. The park will be lighted for the occasion and there will be a platform erected from which prominent local men will address the audience. A band concert and other forms of entertainment will be provided.

Five Companies Here.

The five Waco companies and their captains are as follows:

First Texas cavalry, 100 men, Capt. W. B. McCullum; Battery Three, Second Texas field artillery, 187 men, Capt. E. J. Clark; Supply Company, Second field artillery, 33 men, Capt. L. E. Boren; Texas Ambulance company, No. 1, 158 men, Lieut. Paul C. Murphy; Company C, Texas Signal Corps, 79 men, Capt. Joe McNamara. These men will leave soon for training at Fort Worth.

D. C. Woods Chairman.

D. C. Woods was named chairman of the committee in charge of arrangements for the celebration. D. P. Wallace and John Erhardt are members of the committee.

The Lions' club luncheon at the Raleigh yesterday noon was an enthusiastic gathering.

The club voted to invite all army officers who are to be at Camp MacArthur to attend the weekly meetings of the organization. Dr. F. N. Calvin presided. He introduced a number of officers present, who gave short talks pertaining to the work arising as a consequence of the coming of the troops to this city.

Army Officers Talk.

Capt. C. H. Smith, First Wisconsin cavalry, spoke, telling of the work done in the northern states for the soldiers of the national guard.

Brig.-Gen. L. C. Covell spoke, and Capt. J. W. Clark of the Thirty-second Michigan infantry was called upon.

Capt. E. Thompson, Troop A, First Michigan cavalry, and Capt. M. H. Hawkes, Thirty-first Michigan infantry, also were on the toastmaster's list.

John Erhardt as toastmaster welcomed the officers and called upon them for advice as to how best to handle the situation in Waco.

Mayor Dollins was present and expressed satisfaction when the club decided to make all visiting officers of the guard honorary members of the club and to invite them to attend the weekly meetings at the Raleigh.

One of the important matters taken up was that of swimming pool and pleasure park. A committee was named to consider this matter and thoroughly investigate the propositions being advanced. Later yesterday afternoon the members of the committee visited sites that have been proposed for a great pleasure ground for Waco, but no decision is to be made this week. The report of the committee will be made at next Wednesday's meeting of the Lions at the Raleigh.

ARE YOU A JAY WALKER?

POLICE MAY "RUBE" YOU

That "jay walking" in Waco has not been stopped by any means, and that negroes are especially prone to this practice, was the statement made by Police Officer Nimrod Sheppard yesterday. He stated that negroes have to be told over and over, either forgetting or refusing to comply with this regulation, and deliberately walking diagonally across street corners after having just been advised to follow proper angles.

The third, Perry Scarborough, a young married man, is now at the training camp at Leon Springs.

HOUSTON FILES
WIDE COMPLAINT

By the Associated Press.

Houston, Aug. 29.—A complaint against 162 railroads and steamship companies embracing the territory from coast to coast and from the Great Lakes to the Rio Grande, has been filed with the interstate commerce commission by the Houston Chamber of Commerce and the Fidelity Cotton Oil company of Houston. Practically every line in the United States is included in the complaint. The complaints are seeking the readjustment of freight rates on carload lots on peanut oil, coconut oil and soya bean oil from all Texas producing points to practically every destination in the United States. The complaints assert that several plants in Houston and other Texas points are now in operation crushing peanuts, copra and soya beans for the oil, which is shipped to interstate markets, where it is used for the same purposes as is cotton seed oil.

DECIDED DEVELOPMENTS
EXPECTED IN OIL WELL
WITHIN A SHORT TIME

Gas was coming up freely with the oil in the Paso Oil company's well ten miles east of the city Wednesday, and deep interest was felt by Mr. Miller and associates in the developments of the next forty-eight hours. The well has shown oil, it is stated, almost from the first day, with the oil getting heavier as drilling progressed. It is believed that the drill is now on the cap rock of the first stratum and that there will be two or three strata of oil.

CHATTANOOGA, VIRGINIA
BOY OR BATTLE AXE—?

YES, GEN. PARKER'S HORSES

General Parker likes his horses. He has four of them in his stable just now. He has had these four with him for a long time and they are his favorite mounts.

They are good horses: Polo, obstacle course riding and "high school" stunts are to them nothing but a daily duty. They know the game and they carry the general in a style that makes other horses and riders envious.

The finest looking horse in the stable is Chattanooga. He is a black stallion and was presented to General Parker in 1910. This mount was given to the officer by the people of Chattanooga.

The next best of the favorites is Battle Axe Virginia. Boy is another, and they are all at the general's stable adjoining the headquarters at the Primm home.

DRAFTED MEN OF ARIZONA
WONDER WHERE THEY TRAIN

By the Associated Press.

Phoenix, Aug. 29.—Drafted Arizona men and officers of the selective draft machinery in this state are wondering today where their quota of the new war army is to be trained. Orders originally were received for the troops to be trained at Ft. Riley, Kas. Later orders named Ft. Sam Houston, Texas, as the place of training. The matter has been referred to the war department by the Arizona officers.

AID FOR REMOUNT STATION

A. H. Hansford a man of wide military experience, has been chosen assistant manager at the remount station at Camp MacArthur.

"More than 10,000 animals will be handled here at this remount," said Mr. Hansford yesterday. "The government is doing a great amount of buying right now and many horses will be bought for the army right in Waco."

The remount man stated that horses for the cavalry and field artillery units to be stationed here, would be bought in this section as the troops from the north are to bring nothing with them but officers' mounts.

WORLD AWAITS
NOTE'S EFFECTALLIED DIPLOMACY TURNS
EYES TO ACTION OF POPU-
LAR WILL IN GERMANY.

ANSWER HEADED TO MOSCOW

BELIEVED PRESIDENT WANTED
TO SPEAK TO RUSSIANS
IN SESSION THERE.

By the Associated Press.

Washington, Aug. 29.—Discussion of President Wilson's rejection of the pope's peace proposals in diplomatic circles today revealed that even some of the entente governments were unprepared for the prompt fashion in which the president disposed of a matter of such tremendous importance.

There had been no doubt at any time as to the general nature of the reply, and the understanding is that the United States was generally looked upon as the nation to speak first, but some of the allied foreign offices, accustomed to long deliberative moves in diplomacy, regarded the exchanges that had been going on between them and their own capitals as barely completed.

Further Discussion Expected.

They had rather expected further discussion of the time for discussing replies.

It was realized, however, by the entente representatives in Washington that President Wilson must have had some good and sufficient reason for acting so quickly. Speculation ascribes the motive to a desire to impress favorably the great Russian conference at Moscow while that body is still in a plastic and receptive stage. It was also suggested that the president might have wished to anticipate by his remarkable state paper obstructive action by the pacifist element in and out of congress in the United States.

Vatican Not To Reply.

No rejoinder from the Vatican is expected here in the immediate future. Comment from the press of Europe, including Germany and Austria, is awaited with interest. Bitter attacks upon the American note by the German press and possibly condemnatory speeches by German officials are fully expected when the president's reply is finally allowed to leak through the censor to the German public.

But for the present at least no further attempts at peace negotiations on the old basis involving a continuance in power of the present autocratic German regime is anticipated.

"While the Germans may wage war with added desperation because of the sweeping indictment of their methods, it is confidently believed here that the spirit of revolt will develop steadily and rapidly among the people in Germany, bringing nearer the day when they will assert themselves to the point where President Wilson may feel safe in listening to peace overtures in the conviction that they are from the German people themselves, and not from the overlords and military despots.

German People for Themselves.

President Wilson realizes the force of the objection that has come from some quarters to what might be regarded as a disposition on his part to impose a form of government on Germany. It can be stated that nothing was further from his thought than such a disposition.

He meant just what he said in the note that the word of the present autocratic rulers of Germany cannot be taken for anything that is to endure unless supported by the will of the German people themselves. As to whether Germany has an imperial or a republican form of government, it is conceded that the remainder of the world has nothing to do.

Anticipate German Change.

The struggle for parliamentary reform is being watched with the keenest interest and while it was said at the state department today that no official advice as to as yet at hand regarding the developments, it would not be a matter of surprise if there were some sudden and important manifestations of the popular will in Germany.

Signs of such an outcome are found in the half-way efforts of Chancellor Michaelis to meet the demands of the Reichstag committees by his projected cabinet, representatives of the more powerful political parties in Germany, certainly a long step in the direction of parliamentary control of the government.

When the response to Pope Benedict's proposals will go forward from the allied governments is not known to the state department, which is as yet without official information.

LEADING TO MOLDAVIA'S COMPLETE DISASTER AND OPEN
GATEWAY TO ENEMY INTO NEW RUSSIAN TERRITORY.

By the Associated Press.

The disaffection in the Russian army which resulted in the forced evacuation of the greater part of Galicia and Bukovina by still loyal troops, apparently has not been eradicated, although a stiffening in the Russian defense in Galicia, Bukovina and Rumania, recently had indicated that the Russians were to make no more voluntary retrograde movement.

Following Tuesday's report of the falling back of the Russians in Eastern Bukovina toward the Bessarabia frontier comes the news that disloyal to their colors, the Russians in Southern Moldavia, from Fokshani, northward, have quit their trenches and fled in disorder.

In addition they have given up splendid vantage points guarding the approach to the Sereth river, the crossing of which by the enemy undoubtedly would result in disaster to all Moldavia and be a valuable asset to a Teutonic offensive toward Russian territory north of the bend in the Danube.

New Orleans, Savannah and Port Arthur are the ports which will be made the chief loading point. The plan will be worked out by the shipping board, with co-operation with shippers, ship owners and port authorities. The shipping board will appoint soon a general traffic director who will be put in charge of the program.

PART OF NEGROES IN
HOUSTON RIOT WILL
FACE MUTINY CHARGE

By the Associated Press.

El Paso, Aug. 29.—One hundred and forty-two negro soldiers of the 24th United States infantry, arrived here this afternoon, as prisoners, under guard from Columbus, N. M., and were transferred from a special train to a military stockade at Fort Bliss, where they will be held awaiting court martial on charges connected with the rioting and killings at Houston last week.

Military authorities said tonight that the negroes, or most of them, would face charges of mutiny in time of war, and of offense which would be punishable by death, in consequence of the rioting last week at Houston. Against thirty-four charges of murder have been preferred in indictments returned at Houston as a result of the killing of seventeen and the wounding of many more in the disorders there.

Austin, Aug. 29.—In the senate today, Senator Dayton called up his resolution which provided for an investigation of the University of Texas by a committee consisting of five senators and four representatives. The resolution carries an appropriation of \$15,000 to pay expenses of the committee and, because a point of order had been raised against making an appropriation by resolution, Senator Dayton offered a substitute that the expenses incurred by the committee should be paid out of the contingent fund of the senate. The substitute was referred to the senate committee on education.

ARMY INSURANCE BILL PRESENTED

HOT FIGHT ANTICIPATED OPPOSITION FROM INSURANCE CONCERNS.

By the Associated Press. Washington, Aug. 29.—The administration soldiers' and sailors' insurance bill designed as a substitute in the future for the present pension system, was favorably reported today by a house committee. Representative Parker of New Jersey cast the only vote against reporting the measure.

He was opposed to the optional insurance feature, expressing the view advanced by the private insurance companies that it would cost a tremendous sum of money and could not be administered fairly. The principal change made in the bill by the committee was the reduction of the maximum amount of optional insurance from \$10,000 to \$5,000.

Cut Off at Remarriage.

Another amendment adopted provides that the allowance of a widow shall automatically cease upon remarriage. Originally the allowance would have continued for two years after the death of her husband. Chairman Adamson said tonight the bill would be reported tomorrow and possibly passed by the house this week. He is confident of passage, but anticipates strenuous opposition from the insurance companies, and from the pension committees of both houses. The bill would provide allowances for dependents of men in the service, compensation for death and disability, optional insurance for officers and enlisted men, and educational and vocational training for honorably discharged men.

Huge Cost Estimate.

Administration costs for the first and second years of the war are estimated at \$176,400,000 and \$289,000,000, respectively. The optional insurance section of the bill, around which the bitterest fight will be waged, contemplates the insurance to officers and men without distinction of policies ranging from \$1,000 to \$5,000 for duration of the war, only at an estimated cost of \$8 per thousand to the policy holder.

Insurance companies recently are said to have declined such war risks for less than \$18 per thousand. Proposed allotments for dependents of men in the service would range from \$5 a month upward to \$50, according to the number of dependents and their relationship to the men in service.

A dependent wife with no children would receive \$15 a month, with one child \$25, two children \$32.50, and for each additional child \$5.

Upon death, resulting from injuries, a widow would receive from \$20 to \$200 a month. Similar provision is made for widows' mothers. Allowance for disabilities incurred in the service would range from \$40 to \$200 per month.

This party will continue until 10 o'clock, when the ladies will repair to the Raleigh for the ball. General Chairman Dr. I. L. McGlasson is enthusiastic over the outlook for a grand occasion. All speakers for the occasion are well known men.

While the Notarians are managing the banquet, it is an open affair to the citizens of Waco. A message was received Wednesday afternoon from Vice President and General W. T. Tyler of the Cotton Belt, to the effect that he and several other officials of that line will be present at the banquet. The message was received by General Chairman I. L. McGlasson, and stated that the following will be on hand tonight: General Manager Tyler, General Freight and Passenger Agent J. F. Lahane, wife and daughter; Judge E. W. Perkins, general attorney of the Cotton Belt; also J. H. Estes, personal representative of President J. M. Herbert of St. Louis. Mrs. Lahane and daughter will be guests of Mr. and Mrs. W. L. Geer while in the city.

URGENT NEED FOR MEN IN U. S. NAVY YARDS

McIlhenny, Washington, president of the United States civil service commission. Persons qualified to fill positions at any of the yards are urged to see Mr. Frazier.

SANGER, OF FAMOUS, IS BACK FROM N. Y. TRIP

Joe Sanger, manager of the Famous, has returned from a stay of five weeks in the East. Mr. Sanger made numerous purchases for his big firm, and found business good in New York. He said that there is much speculation in New York as to the probable duration of the war. Miss Owens, buyer for the ladies' ready-to-wear department, also has returned from an extensive buying tour.

ELABORATE PLAN FOR LABOR DAY

PARADE AND DAY'S EXERCISES PROMISE TO EQUIPSE ANYTHING EVER HELD HERE.

Plans for a great Labor Day celebration in Waco are forming on a comprehensive scale, and arrangements which have been made indicate that the celebration next Monday, September 3, will be one of the most elaborate ever undertaken here.

The day's exercises will be held at Cotton Palace Park, and the big parade preceding will form at 10 o'clock with William Fisher as grand marshal, aided by First Assistant A. L. Neely and Second Assistant Luther Wade, assisted by Sheriff S. S. Fleming and a squad of mounted police. A section in the parade will be reserved for school children, carrying a United States flag. A section also will be reserved for the Wisconsin and Michigan troops if they will take part.

A big basket dinner on the grounds will follow the parade. Then at 1:15 o'clock the band concert will begin to be followed by speaking at 2:15. Rev. W. P. Witsell delivers the invocation, while A. H. B. Corneliussen will deliver the address of welcome, representing the Central Labor Council. W. T. Foster, president of the council, will act as master of ceremonies. Other speakers are: J. J. Sansom of Mart, Mayor John Dollins, Sheriff S. S. Fleming, City Attorney John Maxwell and R. L. Hagan.

At 3:15 the races, and athletic events will begin and numerous prizes have been offered.

The day's exercises will close with a grand ball at the Raleigh hotel, not to be a full dress affair. Ladies will be admitted free, and admission to men will be 50 cents. Prizes will be awarded the two best and most graceful couples.

CHURCHMEN BACK AT SHERIFF NOW

CONTINUED FROM PAGE ONE

that party had not as yet been arrested.

The statement of the Federated Churches follows:

"Mr. S. S. Fleming, sheriff, stated in yesterday's paper that the statements made by the Federated Churchmen in Tuesday's paper were not true and further that they were made either for malicious purposes or as a result of criminal ignorance.

"This is a serious charge for the sheriff to make against the churchmen of the city. They represent many of the best men. We will state that the statements made were not made for malicious purposes nor were those who made them criminally ignorant.

"The facts are that on May 10, 1917, nine men were indicted by the grand jury for either running gambling houses or keeping gambling devices. May 11, 1917, the district clerk, R. V. McClain, issued a capias for each defendant commanding the sheriff to arrest and bring them into court 'instantly,' court being then in session and continuing in session to June 2, 1917.

"The Federated Churchmen appointed a committee to see if those defendants had been arrested. The committee went to the district clerk, who keeps the court records, for the information. The clerk informed the committee Monday of this week that no returns had been made on the capias against any of the parties but that he would go to the sheriff's department and get all that had been served. Mr. McClain as district clerk, went to the sheriff's department and asked for all that had been served, but none of those against those charged with violating the gaming law were in the returns. The clerk then informed the committee that none of them were arrested as shown by the returns.

Saw Fleming Aug. 14.

"The committee saw Mr. Fleming on August 14 and at that time he told the committee that he did not believe any of those who were indicted for violating the gaming laws would be convicted except perhaps one of them.

"The committee made its report to the federated churchmen on Monday night and they thought wise to give the data to the public, believing that the public has the right to know the news while it is news.

"The sheriff stated in the press that he arrested six of the men in three hours after he received the capias. The returns were made today, Aug. 29, 1917, showing the defendants were arrested and placed in jail May 14, 1917. The defendants are not now in jail. The law states that if the defendant is arrested and makes bond the bond and capias shall be returned into court forthwith. See Art. 521, Criminal Procedure of Texas.

"If Mr. Fleming had done as the capias directed, he would have brought the defendants into court during the last term of court and they might have been tried. They cannot try the defendants until they are arrested and there is no way to know when they are arrested except by sheriff's return.

"We wish to ask the sheriff if the men have made bonds, why he has not returned the bonds into the court so that even a churchman could read them and not be charged with being criminally ignorant.

"The sheriff states that two of the men escaped the mitt of the law and have gone to parts unknown. One of these two men, who is well known, was in Waco last week walking up and down the street, so one of the officers of the city has said.

"We do not know why the sheriff held the captives so long without making a return and do not know why he

MISS NELLIE DANCEY DINNER-DANCE HONOREE

Another of the popular dinner dances which have added so much to the season's entertainment was given at the Nueces last night, and those who attended enjoyed the excellent dinner served and the program given during the dinner hour.

There were quite a number of large parties, but the table occupied by Mr. and Mrs. George Kennedy, who entertained a party of eight, complimenting Miss Nellie Dancey of Waco, who is the guest of Mrs. W. E. Pope, attracted a lot of attention on account of the unusual decorations. The color scheme used was purple and yellow. In the center of the table was a guilded bird cage, the top tied with a bow of purple maline, and in the cage were a number of yellow canaries, about the base of the cage were yellow roses and ferns radiating from this were purple ribbons to which were attached the place favors, corsage bouquets for the ladies and buttonhole bouquets for the gentlemen of the party. Brass candlesticks with soft yellow shades added to the attractiveness of the table, as did the dainty hand-painted place cards, purple shaded with gold

lettering and decorated with tiny canaries. Mr. and Mrs. Kennedy's guests beside the honoree were: Mrs. W. E. Pope, Mrs. John C. Scott, Dr. O. H. Judkins, F. J. Mulligan and A. D. Evans.

SUBSCRIPTION DANCE AT COUNTRY CLUB

Another subscription dance was given Tuesday evening at the Country Club, the young dancing set making up the guest list. Miss Catherine Garland's orchestra furnished the music. A bowl of refreshing fruit punch was provided for the dancers. Mrs. W. R. Davidson proved a happy choice as chaperon.

GOLDBERG-MOGUL WEDDING YESTERDAY

The wedding of Miss Mary Goldberg and Mr. Newman Mogul took place

Winning Wars at Home in the Kitchen Sector

Mrs. Mina C. Van Winkle, head of Lecture Bureau of Food Administration, and girl scouts in uniform of Food Administration, learning to use perishable foods.

yesterday afternoon at the home of the bride on North Fifth street. The house had been beautifully and lavishly decorated, carrying out a color scheme of pink and white. Pink and white asters were grouped in bowls and jardiniere, forming an exquisite setting for the ceremony. Dr. Goldberg of Corsicana officiated. The

bride was attended by her sister, Miss Rose Goldberg, who was gowned in grey georgette with trimmings of blue. She wore a hat of blue and carried a bouquet of white asters. The bride was smartly dressed in a tailored suit of blue and grey, grey hat and boots to match. Her bouquet was of white asters. The wedding music was played

by Miss Sadie Novich, charming in a gown of beaded white georgette. After the ceremony a reception for friends and relatives was held. The table on which the punch bowl was placed was banked with pink and white asters. Angel food iced in pink carried out the color scheme. Several automobiles of friends accompanied the bride and groom to the station, showering them with rice and good wishes. The honeymoon will be spent in Chicago, and they will go later to make their home in Kansas City.

Miss Goldberg was known by practically all of Waco, in both a social and business way. She was for years the efficient assistant to District Clerk H. V. McClain, where she handled the business in such a way as to make herself indispensable to her employer. Her serene and cheerful disposition made her friends everywhere. She will be missed with sincere regret.

Y. W. C. A. EXPERTS IN TOWN TUESDAY.
Miss Mildred Y. Corbett, field secretary of the Young Women's Christian association, and Miss Blanch expert on cafeterias and houses, were in the city Tuesday morning for a brief time with Marguerite Williamson and M. Burhans of the local Y. W. with General Parker and Kelsey on the part that C. A. is to take in the war.

It is rumored that plans discussed for a cafeteria, W. C. A. here, but nothing has been given out. The work of Y. W. C. A. will open with renewed vigor in September, the educational and athletic departments planning big things.

GIRLS FORM SEWING CIRCLE.

At the suggestion of Mrs. Alex Sanger, a group of girls of the high school age have formed a sewing and knit circle. Mrs. Sanger will turn over to the Red Cross. All girls can knit, so part of their will be devoted to knitting and to making bandages. The class continues until school opens. The second meeting will be held on Monday morning with Miss Lois Herd at 9 o'clock.

WOULD IMPEACH W. P. ALLEN NOW

RESOLUTION OFFERED IN THE HOUSE HITS AT REGENT OF STATE UNIVERSITY.

Special to the News. Austin, Aug. 29.—A resolution to ask the house to prefer articles of impeachment against Willbur P. Allen of Austin, chairman of the board of university regents, in the event that he refuses to resign as a regent within three days, was introduced today in the senate by Senator Strickland, but no action was taken. The resolution says:

"Whereas a resolution was passed by this senate requesting Willbur P. Allen to resign as regent of the University of Texas, and

"Whereas said resolution was passed with only one dissenting vote, and

"Whereas the said Allen has not tendered his resignation in compliance with said request,

"Therefore be it resolved by the senate of Texas, that he be given three days from the date of the adoption of this resolution to comply therewith, and in the event of failure the house of representatives is hereby requested to prefer articles of impeachment against the said Willbur P. Allen."

It was suggested by Senator Page that the resolution was rather strong. Senator Parr insisted the senate had never officially notified Mr. Allen of the action taken by the senate and Secretary McCall was instructed to do so at once. Mr. Allen's legal residence is in Senator Parr's district, although he is generally considered a resident of Austin.

TO "ENJOIN" GOV. BURNQUIST

By the Associated Press. New York, Aug. 29.—Plans for legal action to establish their right to hold a convention in Minneapolis were considered here today by the organizing club of the Peoples' Council of America for Democracy and Peace, following an order yesterday by Governor Burnquist of Minnesota prohibiting the meeting. It was said at the headquarters of the organization that an injunction was under consideration on the ground that the governor's action was "an invasion of the constitutional right of free assembly."

COLOMEL PURIFIED OF OBJECTIONABLE EFFECTS, AT LAST

SUCCESS CROWNS EFFORTS OF PHARMACEUTICAL CHEMISTS TO RID POPULAR MEDICINE OF ITS NAUSEATING AND DANGEROUS QUALITIES—CALOTABS THE NEW NAME.

A triumph of modern pharmacy that is destined to bless the whole world, from the King on his throne to the humblest laboring man—that is the opinion of druggists who have been watching the sale of the new calomel tablet that is wholly free from the objectionable effects of the old-style calomel.

An occasional purifying of the system and thorough cleansing of the liver are absolutely essential to the maintenance of health, and calomel is the only drug that gives permanent results. Now that the unpleasant effects are entirely removed, the popularity of the new calomel, Calotabs, will be vastly increased. One tablet on the tongue at bedtime, a swallow of water—no taste or unpleasantness of any kind. A good night's sleep and you wake next morning feeling fine, with a clean liver and a hearty appetite. Eat what you please—no danger. Calotabs are sold only in original, sealed packages, twenty doses for thirty-five cents. All druggists are authorized to refund the price if you are not thoroughly delighted with Calotabs. Advertisement.

NETHERLANDS GOVERNMENT REFUSES KAISER'S DEMAND

By the Associated Press.

Washington, Aug. 29.—The Netherlands government has declined to accede to the demands of Germany that Dutch ships repaired from German steel be devoted to German use for a period covering five years after the war. In response to Holland's request for steel, Germany discontinued shipment and also stipulated that if German steel was used for the construction of new vessels, Holland must give her an option on the ships after the war in case any tonnage was not needed for Dutch trade. This last point is still the subject of negotiation, but as Holland is sure to require all her ships for colonial trade, it is not likely to be granted.

"THE LAW OF THE LAND"

AT HIPPODROME.
Olga Petrova, whose personal magnetism has drawn a vast army of admirers, is now being seen in her latest picture, "The Law of the Land," at the Hippodrome Saturday only.
The plot revolves about Margaret, who is deeply in love with Geoffrey, a rising young politician. Her absolute mother is caught cheating by Richard Harding, who wants to marry Margaret because of the social prestige it will give him. Harding threatens to expose her unless she consents to bring about his marriage with Margaret. Thus she is forced into a loveless marriage. Morton, filled with grief, goes abroad. After five years he returns to find Margaret in apparent happiness, worshipping her son. But there proves to be a brute of a son, the type he constantly beats the child because of the intense anguish it causes the mother. Her mother's love supreme, she confesses in a stormy scene that Morton is the father of the child. Harding, stunned for a moment, is about to kill her bodily injury, when Margaret, not knowing what she does, kills him. Stern justice brings its operation immediately and the circumstances are all against Margaret. A gruff police inspector is determined to get at the bottom of the crime. In a nerve-straining bit of dramatic action this inspector is made to realize that he has a heart and Margaret finally attains happiness.
There is an excellent bit of comedy throughout the whole picture, portrayed in a finished manner by the butler of the Harding household.

STAY IN CAMP, SAY ARMY HEADS

PROVIDE CAMP AMUSEMENTS
AND URGE GUARDS TO
"STAY IN NIGHTS."

Every soldier stationed at Camp MacArthur will have to have a pass from his company commander before he is allowed to come down town to Waco.

This announcement was sent out yesterday by the commander of the camp here and it was further stated that all men of the guard units from Michigan and Wisconsin would be urged to stay in camp as far as possible.

It was announced that there would be seven free moving picture shows within the camp boundaries each evening. These shows will be staged by the army Y. M. C. A. and will be given in the various divisions in order that the men will not have to travel any great distance to attend.

There also will be athletic amusements of all kinds. The camp commander stated yesterday that he is planning to arrange a series of boxing matches, evening lectures, athletic contests and other features that will tend to entertain the men right in camp.

The soldiers will not be allowed to visit the city during the day except on business propositions. They can get a pass for evening trips to the city by applying to their various company commanders.

It takes a homely girl fully ten seconds to forgive a young man for having stolen a kiss.

"The Poor Man's Potato" has become the rich man's luxury. Whether at three dollars a bushel, or twenty-five cents a bushel, potatoes are not a complete food. Two or three Shredded Wheat Biscuits with milk furnish more real, body-building nutriment than a meal of potatoes or meat, are much more easily digested and cost much less. Shredded Wheat is 100 per cent. whole wheat, nothing added and nothing taken away—gives mental vim and physical vigor for the hot days. Delicious for breakfast, or any meal, with sliced bananas, berries or other fruits, and milk. Made at Niagara Falls, N. Y.

SISTER OF WACO WOMAN DIES WHEN SHE HEARS OF GRANDDAUGHTER'S DEATH

Mrs. W. H. Cockcroft, wife of former City Commissioner W. H. Cockcroft, has been called to Colorado City, Texas, on a sad mission and one of unusual character. Her sister, Mrs. E. M. McCreless, died from a shock occasioned by hearing the news of the death of her granddaughter, Eula May McGuire. The death of Eula May McGuire was caused by appendicitis. She was a great favorite of her grandmother Mrs. McCreless. Mrs. Cockcroft was notified of the death of her sister, Mrs. McCreless, and of Eula Mae McGuire, and left at once for Colorado City.

WISCONSIN MAN OPENS ARMY STORE IN WACO

A new store is to greet Wacoans in a few days. This store will be something not seen in this city before and comes as a result of the establishment of an army training camp here.

The store is being opened by E. J. Grenlaw of Superior, Wis. He is well acquainted with army officers and men from Wisconsin and plans to have a place where they all can get what they want in their lines. The store is being furnished at 102 South Sixth street and will be an army supply store throughout. Uniforms, campaign hats, leggings, army shoes, and other articles of United States uniform will be handled. The store will open next Monday.

THINK ROAD BUILDING AT CAMP VERY ESSENTIAL

News of the beginning of construction on roads at Camp MacArthur was received with satisfaction by residents of Waco who are familiar with soil conditions hereabouts. Expressions Wednesday were to the effect that the camp authorities are wise in building the roads at once, as with prolonged wet weather it would be difficult to move around freely at Camp MacArthur, even though the drainage there is unusually good.

WACO BOY, IN THE NAVY, IS HERE ON A FURLOUGH

Curtis C. Smith, who enlisted in the United States navy in 1914, is visiting his parents, Mr. and Mrs. T. C. Smith of 112 North Sixteenth street. Curtis is at home on a thirty-day furlough. He re-enlisted in the navy recently for another four years, and is in the electrical department. He attended the Waco public schools and has many friends here.

BOOSTS WORK OF SCOUTS

A glimpse of the activities of the Boy Scouts, in aiding in pushing forward government work or propaganda, was furnished the Waco Lions Wednesday at the luncheon. Scoutmaster Nat Hays told of how the boys sold Liberty Bonds, distributed circulars containing information which the government wanted the people to have, and helped in numerous other ways. He said that the boys are always ready to do anything possible for the good of the city and emphasized their work in Waco and elsewhere.

PREPARE AVIATION GROUNDS FOR USE OF U. S. GOVERNMENT

Several claims for crop damage in connection with the entering upon lands wanted for the aviation school of the government here were settled Wednesday by the Chamber of Commerce. The organization paid out more than \$1,000 on such claims.

This shows that the lands are wanted immediately, or a portion of them, at least, where buildings are to be erected or other similar preparations made. The Cotton Belt is building its spur tracks to the camp building site, branching off from the Camp MacArthur spur, and it is expected that actual assembling of material for construction will begin before the end of this week.

10-YEAR-OLD HAS NARROW ESCAPE IN A COTTON GIN ACCIDENT WORTHAM, TEX.

Special to the News. Wortham, Aug. 29.—William Hassell, 10 years old son of Pope Hassell, gin man of Wortham, was caught in a cotton seed conveyor at the Wortham Cotton Oil company yesterday afternoon and his left arm was considerably bruised and a bone in his wrist broken. The little fellow was playing on the cotton seed and slid from a pile of seed into the conveyor and would have probably been fatally hurt but for the quick action of Eugene Keeling who was feeding the seed and who immediately threw the belt off and stopped the conveyor.

TUBERCULAR TESTS FOR COWS BEING MADE NOW

Tubercular tests of cows used for dairying purposes in Waco are being conducted by Dr. R. H. Hodges, pure food inspector for the city. There are a large number of cows in use in this way, and the tests have to be made from time to time in order to keep up with developments of the situation. A good number of cows have been retired from active use in the past two years because of tubercular conditions found to exist with some of them.

TEXAS CONSERVATIONISTS ARE TO MEET AGAIN SOON

President W. W. Seley and Field Agent A. D. Jackson of the Texas Conservation and Reclamation association held a brief conference Wednesday regarding a proposed meeting of the state organization at an early date. The meeting will be called soon and will deal with a number of matters, some of these growing out of the successful conclusion of the recent election on a constitutional amendment.

A KEF OF BEER, A CLUB, AN ARREST—SOME BONDS

The "Easy to Jine" club was formed in Waco, but it was short-lived. Wm. Holston, colored, conceived the idea of buying a keg of beer and organizing a social club; the keg of beer

was the club, and Will charged 25 cents for the privilege of being initiated into the esoteric work of the club, this esoteric work consisting in

nothing more cryptic than "swigging" down the contents of the aforesaid keg.

After an interview with United States Commissioner A. P. McCormick Will was allowed to depart in peace, agreeing to report to the federal grand jury or put up \$250.
